Public Remarks

NEW CONSTRUCTION WITHOUT THE WAITOVER 4,000 SQ. FT. OF FINISHED LIVING SPACE***COMPLETELY REMODELED INSIDE & OUT***4 BEDROOMS***4 FULL BATHROOMS***CLOSE TO SCHOOLS & HIGHWAY ACCESS*** Why wait to build a new home when everything you've been looking for is already here? This extensively remodeled 1.5-story home offers approximately 2,800 square feet above grade, plus a fully finished lower level, providing more than 4,000 square feet of finished living space across three beautifully refreshed levels. The interior features all-new flooring, freshly painted walls and ceilings, updated trim, new lighting and ceiling fans throughout. The completely remodeled kitchen includes updated cabinetry, new countertops, stainless-steel appliances and an open layout that flows into the expansive main living and dining areas. With four spacious bedrooms and four full bathrooms, there is room for everyday living, entertaining, guests, hobbies and working from home. The master bed/bath suite offers the convenience of its own laundry area, while the lower level includes an additional laundry space with a utility sink and dual dryer hookups. The finished basement is highlighted by an enormous recreation area, an additional bonus room located near a full bathroom, extensive recessed lighting and plenty of dedicated storage. Outdoor living is just as impressive, featuring a bright sunroom, newer deck, large concrete patio, mature shade trees, an expansive backyard and a detached storage shed. The oversized two-car garage offers an epoxy-style floor, workbench and additional built-in storage. Exterior improvements include new shingles and new siding, giving the home a fresh, updated appearance from every angle. Conveniently located near schools, shopping and major highway access, 626 Lone Dell delivers the space, updates and functionality of a newly built home—without the wait.
